Session 10 August 21 - 25
Getting Ready for Kindergarten

Scamper Camp is a day camp program designed for children entering kindergarten. This camp provides an exciting and developmentally appropriate introduction to the summer camp experience. Campers will participate in a variety of summer activities, including American Red Cross swim lessons at our indoor pool and a weekly visit to Camp Wind-in-the-Pines in Leicester. As part of the YWCA's Early Education and Care Department, Scamper Camp staff are licensed preschool teachers and experienced counselors.
