

Stand Against Racism

April 26, 2024

YWCA is on a mission to eliminate racism and empower women. Because we know that we cannot empower all women without confronting systemic racism, we act every day by raising awareness of the impacts of institutional and structural racism and by building community among those who work for racial justice. Join us in rallying to make change for communities of color and ensuring equity for all.

SUPPORT LEVELS

Sponsorship benefits include community recognition through event promotion; corporate logo and link on agency website, and recognition from podium at the Community Breakfast.
