FITNESS CLASS DESCRIPTIONS

Beginners Fitness: Intro to group fitness class which would cover cardiovascular endurance, coordination and work on strength and flexibility.

CardioBlast: This class is an excellent way to improve your strength, flexibility and general fitness. Learn correct form and technique. We use steps and free weights and show innovative ways to getting fit. This class is appropriate for beginners and advanced exercisers alike.

Cardio Boxing: This class designed for the fundamentals of cardio endurance, strength and knowledge of boxing. Let's train, sweat, and be in the best shape while learning some cool new moves

Dance Fit 4U: Prepare to party hearty to terrific music! No dance skills required, just be willing to have fun. Adaptable to varying levels of fitness.

Meditation: A combination of sound, meditation and natural law we will bring your mind, body and spirit into balance. Harnessing the power of the universe to break free from old patterns and conditionings while igniting the spark that lives inside of you.

Morning Meditation: A six-week series focused on bringing alignment and harmony to your energetic field and supporting you on a journey through sound and optimal imagination. Surrender, release, and rejoice.

PiYo: PiYo is a unique class designed to build strength, increase balance and flexibility, and improve cardiovascular endurance all at once. This boot camp style class uses yoga and Pilates moves to create an intense overall workout.

Yoga: This class is designed for both beginner and experienced students, who prefer a class at a relaxed pace. In this class, you will use postures and conscious breathing in combination with mental focus to develop awareness through proper alignment and mindfulness of the body.

Strong by Zumba: The revolutionary high-intensity workout is a full-body transformation, fueled by music. Burn more calories in a HIIT workout that combines cardio and muscle-conditioning moves. It is a challenge, a blast, and a surefire way to a better stronger you!
