# FITNESS CLASS DESCRIPTIONS

**Barre:** A whole-body workout based on movements inspired by ballet, yoga and pilates. It engages muscles deep within your body and is beneficial for bone density, strength and balance. A high intensity and low impact program for all fitness levels.

**Beginners Boxing:** Learn the basic fundamentals of boxing. Each step is broken down while your work with the instructor to build skills and endurance.

**CardioBlast:** This class is an excellent way to improve your strength, flexibility and general fitness. Learn correct form and technique. We use steps and free weights and show innovative ways to getting fit. This class is appropriate for beginners and advanced exercisers alike.

**Cardio Boxing:** This class designed for the fundamentals of cardio endurance, strength and knowledge of boxing. Let's train, sweat, and be in the best shape while learning some cool new moves

**Dance Fit 4U:** Prepare to party hearty to terrific music! No dance skills required, just be willing to have fun. Adaptable to varying levels of fitness.

**MIXXEDFIT:** A people-inspired fitness program which combines explosive dance moves with body weight toning.

**Meditation:** A combination of sound, meditation and natural law we will bring your mind, body and spirit into balance. Harnessing the power of the universe to break free from old patterns and conditionings while igniting the spark that lives inside of you.

**PiYo:** PiYo is a unique class designed to build strength, increase balance and flexibility, and improve cardiovascular endurance all at once. This boot camp style class uses yoga and Pilates moves to create an intense overall workout.

**Sit & Stretch Yoga:** Chair yoga is a gentle form of yoga that modifies traditional yoga poses so they can be done while seated. Suitable for people of all fitness levels, including seniors, those with mobility limitations. Chair yoga is a great option for beginners or anyone who wants to focus on a gentle practice.

**Yoga:** This class is designed for both beginner and experienced students, who prefer a class at a relaxed pace. In this class, you will use postures and conscious breathing in combination with mental focus to develop awareness through proper alignment and mindfulness of the body.
